Curriculum vitae

Faten M. Momen
Professor of Acarology
National Research Centre
Pests & Plant Protection Department
Tahrir St., Dokki, Cairo, Egypt

Resume of Personal Data and Professional Career

1- Personal Data:

*** Name** : **Professor Faten Mamdouh Momen**

*** Position** : **Head of pests and Plant Protection Department Since 2010-2013**

***Present position** : **Emeritus Professor**
Head of the Permanent Scientific Committee at NRC.

*** Field of Research** : **Pests & Plant Protection**

*** Specialization Field** : **Acarology/ Taxonomy & Biology**

*** Department** : **Pests & Plant Protection**

*** Division** : **Agricultural and Biological Division**

*** E. Mail** : **fatmomen@yahoo.com**
fatmomen@gmail.com

2- Higher Education and Training Qualifications:

B.Sc. (1974) : Faculty of Agricultural, Cairo University in Plant Protection (Insect major).

M. Sc. (1978): Faculty of Agricultural, Menoufia University, Egypt, in Plant Protection (Zoology).

PH. D (1986): Department of Zoology and Genetics, University College Dublin (Zoology), Ireland.

Scientific and administrative Experience.

*Scientific Achievements:

1- Field of Specialization: Taxonomy of the family Tydeidae and Scutacaridae, Biology of the families Phytoseiidae and Stigmaeidae

2- Biological control of pest mites.

3- Behavior of Phytoseiid mites.

* Name and Date of Awards and Fellowships:

.

1- Government of Egypt award for post graduate studies at University College Dublin, Ireland (September 1981- October 1986).

2- Researcher Associate, Department of Zoology and Genetics, University College Dublin, Ireland (September 1985- October 1986).

3- Postdoctoral fellowship, Agriculture Canada Research Station, Winnipeg, Manitoba, Canada (July 1988- January 1989)

4- Postdoctoral fellowship, Agriculture Canada Research Station, Winnipeg, Manitoba, Canada (July 1989- March 1990)

5- Postdoctoral fellowship, Zoological Museum, Department of Zoology and Systematic, Lund University, Sweden (October 1991-July 1992)

6- Postdoctoral fellowship, Zoological Museum, Department of Zoology and Systematic, Lund University, Sweden (June 1993-January 1994)

7- Postdoctoral fellowship, Zoological Museum, Department of Zoology and Systematic, Lund University, Sweden (January 2002- September 2003)

*Visiting Scientist

1- Department of Zoology, University of Toronto, Canada (August 1989- September 1989).

2- Agriculture Canada, Ottawa, Canada (October 1989- November 1989).

*Publication:

One hundred and 20 papers were published in more than 20 well reputed journals.

*Prizes:

1- Awarded the NRC Prize of Scientific Contribution in Biological and Agricultural Science in 1990.

2- Awarded the State Prize for Agricultural Sciences in 1994.

3- Awarded the NRC Prize of Scientific Contribution in Biological and Agricultural Science in 1996.

4-Awarded Who s Who of Professional and Business Woman (Honoree 1999).

5- Nominated for the International Scientists of the year 1999, International Biographical Centre, USA.

6- Awarded the NRC Prize of Scientific Distinction in Biological and Agricultural Science in 2001.

7- Awarded the State Prize of Scientific Contribution in Biological and Agricultural Sciences in 2001.

8- Awarded the state Prize of Scientific Distinction in Agriculture Science in 2016.
9-Awarded the NRC Appreciation Prize in Biological and Agricultural Science in 2018.

Projects

An active member in number of projects related to National Research Centre.

Reviewer in well reputed International Journals:

- Journal of Applied Entomology.
- Systemic and Applied Acarology.
- Journal of Annales Zooloici.
- Journal of Afrotropical Zoology (Belgium).
- African Journal of Biotechnology.
- Tropical Life Science Research.
- International Journal of Science Research Knowledge.
- International Research Journal of Plant Science.
- International Journal of Acarology.
- Egyptian Journal of Biological Pest Control.
- Phytoparasitica.
- Archives of Phytopathology and Plant Protection.
